

F A Q:-

1. Account lock.
Account is not locked. You have to create a new user id and password for year 2019. Old user id and password created earlier will not work. The institutes which are recognized by SNRC and found suitable by INC under section 13 & 14 of the INC Act only can create new user id and password.
2. Require fee code
Fee code is available in the payment receipt issued by Indian Nursing Council (INC) in the past.
3. Fee code already existing
It means you have already created user id and password for that code and you have to login. It is to be ensured that user id and password is preserved with you for future reference and it should not be shared with anybody.
4. Faculty photo repeat
Faculties photo shall be saved in the JPG format in different file names. If it is “Asha” than the file name should be “Asha” so that it will be uploaded easily. In the same manner you have to save each photo in JPG format so that it will be easy to upload. The size of the photo should be 200kb.
5. Building photographs
Building photographs should be in JPG and PNG format only, PDF is not accepted.
6. Faculty joining date format
Date format acceptable is DD/MM/YYYY. No other format will be accepted.
7. Fresher faculty
Appointment letter to be uploaded.
8. Payment issues
For government institutions Demand Draft can be submitted where as private institution shall pay online only. If the payment is done and bank acknowledgement is not received than the institution shall send a mail to INC (js.inc@gov.in) along with Application ID.
